Art Rutz was cited by Railway Progress Magazine as the outstanding railway employe of the month (October). Art, who works for the South Shore Electric, was awarded a $25 Defense Bond for his courtesy and helpfulness to travelers.

**********

It was nice to see a familiar face again, It is a real pleasure to see Harry Miller well again and hope to see you at our future meetings.

"SUITCASE SPECIAL"

Just a tip - if you carry a bag to the meetings, have it properly labeled. At the last meeting our friend Sam Marich left his bag on the floor, and when he looked for it later it was well on its way to the South side, having been picked up by mistake. The unwilling oostodians having found themselves in possession of said bag, called the Hotel just as Sam was in consultation with the House detective. So everything worked out fine. OK fellows, you can come out now - the guy ain't sore.

Foley to Smith to Shulstad. This might sound like a double play in baseball, but it really involved the exchanging of overcoats at our March meeting. Everything finally got straightened out and no one was left out in the cold.

## IMPORTANT NOTICE:

Our May meeting is Ladies Nite. Instead of meeting at the LaSalle Hotel we will convene at the Lyon Healy concert hall at 64 E. Jackson, (3rd floor please). The program is under the capable direction of Mrs. Ethel Pokorny and a good time is planned for all. So leave your auction material at home "fellas" and bring the ladies.

## NEW MEMBER:

The following member was elected:

Hugh M. Knight
17617 Dixmoor Drive,
Homewood, Illinois.

The following resignation was accepted by the members:

Dr. Imre Molnar

## YOU MISSED IT:

For those club members who did not attend the Annual Racine Coin Club Banquet on Saturday, April 23rd in Racine, Wisconsin, certainly missed a well planned banquet and a most delicous Turkey dinner with all the trimmings. There were many very nice displays of collections, door prizes and an interesting auction followed. Your Chatter editor, and frau, were very pleased and honored to represent the Oak Park Coin Club.

Thanks to Mr. Yeoman for a most enjoyable evening.

The Central States Numismatic Society's Convention held in Detroit was another big event of the month.
The Chicago Coin Club was represented by 35 resident members and 14 non-resident members.
Thru the grape-vine the convention was a hugh success.

It was nice to have such a large turn-out for this important out of town event.

## NATIONAL COIN WEEK:

Thru the conscientious efforts of the Chairman, E. L. Salisbury, many exhibits were on display through-out the area, during Nation Coin Week - April 22 thru 29, 1955. We hope many of you had the opportunity to see them - they were good.

## ITEMS OF INTEREST:

Results of the April Auction were most gratifying due to the efforts of Dr. Carl Westmark in rounding up some choice material.

Prices realized:

Lot 5 Ten Dollars, 1908 - $20.00
Lot 33 Indian Head, 1877 - 9.00
Lot 39 Lincoln Hd., 1914 D- 60.00
Lot 50 1 Roll 1909 VDB-Unc. 16.50

These are a few of the items that helped make this a good auction.

Two Chicago Coin Club 25 year medals showed up after the auction. These silver Lincoln medals are now scarce. One of our more foresighted members now owns both pieces.

. . . . . .

Vernon Sheldon presented to J. H. Rypstra, past president of the A.N.A an honoary membership certificate in that organization. The membership certificate was dated August 28, 1944 but for some reason was awarded to Mr. Rypstra at our last meeting, about eleven years late.

Dr. Carl Westmark spoke on the need of the Chicago Historical Society for good numismatic material and asked that if any members were considering making a contribution to a museum, that the Chicago Historical Society receive first consideration. Numismatic items in the Chicago Historical Society collection is frequently displayed and made available for public inspection.

*******

It is with deep regret that we report the death of Mrs. R. E. Davis, CCC member # 84 who passed away at the home of her daughter, Mrs. Emily Brooke, in Columbia, Missouri on February 25th.

Vol. 7 No. 6 CHICAGO COIN CLUB CHATTER June 1955

The 437th meeting of the Chicago Coin Club will be held Wednesday June 8, 1955
LaSalle Hotel 8:00 P. M.

## JUNE PROGRAM

Featured speaker at the June meeting will be Mr. Simeon Wilson of the U.S. Postal Inspection Service, Questioned Document Laboratory. Mr. Wilson will discuss the Post Office Inspection Service with particular reference to the activities of the technical laboratories in handling handwriting identification, fingerprint evidence, problems involving paper and ink analysis and infrared and ultraviolet photography of documents. The lecture will be illustrated with slides and prepared charts projected on an opaque type projector.
Mr. Wilson has consented to operate this special projector for the display of our exhibits. Here is an opportunity to present your coins to their best advantage. Let's have as many exhibits as possible.

## AUCTION NEWS

Dr. Carl Westmark will conduct an impromptu auction after the regular meeting is concluded. Doc would like to have the material properly attributed and graded before the meeting begins. The next listed auction will take place at our July meeting, and material for this auction should be in the hands of the committee at the time of the June meeting.
In addition to U.S. coins, numismatic literature, foreign, ancients and paper money are welcome.
Proper attribution is particularly important on other than U.S. coins. Have you noticed that when the auction list contains choice and desirable material our attendance increases and prices realized are higher for all items? Members are urged to submit the better grade materials for the listed auctic and save the other items for sale to their "best" friends.

## NEW APPLICANTS

Two new applications for membership were read at our May meeting.

J. Thomas Nolan, 8532 S. Peoria St.
Chester L. Krause, Iola, Wisconsin

## LADIES' NIGHT

The April meeting, which was Ladies' Night, featured an original skit by Jean Bradfield and was enacted by Marcella Sheldon, Clyde Grimm, Mary Jane Rich, Ted Pokorney and Jean Bradfield. The message conveyed by this powerful drama was the fortunate circumstances of those women lucky enough to be married to coin collectors. The other entertainment consisted of an exhibition of magic by member Ray Kozlowski. Mrs. Ethel Pokorney, chairman of the Ladies' Night Committee, wishes to thank the committee and the members for the excellent cooperation which she received.

## OTHER NOTES

Former President, Glenn R. Ostrander, will miss the June meeting. He has been at Wesley Memorial Hospital for two or three weeks for observation and rest.
Also convalescing after surgery are members Charles Musil and M. H. Bolender of San Marino, California.
Best wishes for a speedy recovery.

L. Hellene Bohler of Ft. Collins, Colo., formerly of Iowa, sends greeting to all her Chicago friends.

Central States Numismatic Society has been incorporated under the laws of the State of Illinois. If you do not belong, why not ask Earl Brown for an application -- only $1.00 per year.

Chatter editor Paul Igleman is out of town on business. All complaints this month should be addressed to the secretary, who is pinch-hitting.

Meetings are called to order at 8:00 P.M., however many members gather as early as seven for trading, conversation and occasionally numismatics.

The 438th meeting of the CHICAGO COIN CLUB will be held Wednesday July 13, 1955, in the Lincoln Room of the LaSalle Hotel, Chicago, at 8:00 P.M.

## JULY MEETING

A listed austion is scheduled as the ain event of our July meeting. Don't miss .t as there will be many nice Numismatic .tems sold to "the highest bidder".

Remember to bring the enclosed aution sheet with you.

## EW MEMBERS

The following members were elected to membership at our June meeting.

J. Thomas Nolan
8532 S. Peoria St.
Chicago, Illinois
Regular member # 635

Chester L. Krause
Iola, Wisconsin
Non-resident member # 636

The resignation of non-resident member Lloyd Gettys was read and accepted by the membership

I would like to compliment Mike Dolnick at this time on the splendid job he did in editing the June edition of the "Chatter". I might add that it sure feels good to be back in Chicago after a short, wet, cold business trip to Duluth.....

Congratulations to our President - Elston Bradfield. According to the South Australian Numismatic Journal, Mr. Bradfield has been appointed an Honorary Member of the Numismatic Society of South Australia.

Exhibits at our June meeting were presented using an opaque type projector which projected an actual image of the coin on a screen without use of slides. This type of presentation met with a moderate degree of success.

The quest speaker of the evening was Mr. Simeon Wilson of the U.S. Postal Inspection Service. Mr. Wilson discussed the history and work of his department. Response to his lecture was enthusiastic.

## Exhibits

One of the most enjoyable features to me, and I imagine to many others at our meetings, is the personal exhibits of our members. Take for example - the following list, which was shown at our June meeting, and surely represents a wide variety of interests.

M. Dolnick: Russian bronze medal of Alexander I in honor of Sience.

S. Graziano: 2 Japanese o dd shaped silver coins.

E. Bradfield: Freedom Foundation award medal presented to an employee of the Chicago Tribune.

A. Slabaugh: Counterfeit banknotes of U.S., Mexico and the Confederate States.

E.C. Brown: 1955 Canadian mint sets and silver A.N.A. membership medal.

J. Harris: Vermont cents 1785 and 1786, 2 Fugio cents 1787, Mass., pine tree six pence 1652, pine tree 3 pence 1652, pine tree witch piece, Oak tree shilling 1652, Chalmers shilling Annapolis, Md 1783, 5 sous necessity issue of the Napoleon period, Kentucky cent lettered edge 1790 and New Jersey cent - 1787.

R. E. Porter: Coins distributed by the manufacturers of Wheaties.

F. Dorsey: Unc., set silver dollars 1878-1935 except for 1895 & 1804-O. Entire set mounted in plastic holder about 3 feet square which was made by Mr. Dorsey.

Let's see more of this type of material. For proper write up in the Numismatist, you exhibitors are urged to also turn in a written statement, about your coins, to the exhibit Chairman, Mr. Hoppe.

A good many of us will be leaving for our vacations this month. So let's drop our coins, get our in the sun and have some fun and may we all return refreshed, happy, healthy and SAFE.

## SEPTEMBER MEETING

A listed auction is scheduled as the main event of our September meeting. Don't miss it as there will be many choice Numismatic items sold to the "highest bidder". Please remember to bring the enclosed auction sheet with you.

The Auction Committee reports that the next regular CCC auction will be held at our December meeting. Also, that in the last year almost all material for auctions has come from dealers and from members of the committee. If it is a "good deal" for dealers, it should be the same for our Club members - so,if you have any suitable (no "junk", please!) numismatic material you want to sell, consign it to anyone on the Committee. You may get enough cash to buy some more coins!

## NEW MEMBERS:

The following members were elected to membership at our August meeting.

Louis J. Castelli, Jr.
621 Forest Road,
Glenview, Illinois.

Albert F. Ivancsits
917 W. 70th
Chicago 21, Illinois.

The following application for membership was read and referred to the membership committee.

Frank Zaylik
9557 S. University Ave.,
Chicago, Illinois.

We are sorry to report that Fred Munzberg No. 522 is in the V.A. Research Hospital 333 E. Huron for surgery.

## ITEMS OF INTEREST:

It was disclosed at our last meeting that August the 11th was an important event for two of our Club members.

J. Henri Rypstra celebrated his 53rd Wedding Anniversary on that date, and Clyde Grimm also celebrated his 27th Wedding Anniversary.

Congratulations to both of you from the Chicago Coin Club.

Earl Salisbury has spent many years tracking down rare and elusive coins. Presistance must be one of his virtues, as he spent most of a day recently acquiring his latest addition - and then he got the "bird". He's teaching this one to talk. Have Earl tell you about it.

## EXHIBITS AT OUR LAST MEETING:

Glenn Smedley: A few notes of early Chicago banks.

Elston G. Bradfield: Silver medal 4" diameter commemorating 300th anniversary of discovery of the Hudson River. The medal was struck by the American Numismatic Society in 1909.

George Habermehl: Eleven U.S. tokens in brass and bronze.

Harry X. Bossel: 1953 D quarter struck in copper on a one cent planchet.

William Hoppe: Germany, Commemorative 5 mark coin in proof of the poet Schiller.

M. Vernon Sheldon: Silver medal, copy of gold medal issued to Herbert Hoover by the Belgian government for his work as director of the America Relief Commission; silver medal issued in Brussels, Belgium in 1910 honoring Ernest Babelon, internationally known numismatist. Mr. Sheldon also displayed a select group of ancient coins of Carthage and Syracuse.
